FAQ's

Do we have to take up catering?

For a private event in the TAB room, yes this is a requirement. Any booking over 40 we recommend a catering package however this is not a requirement of booking. We cannot guarantee food will arrive together when purchased a la carte.

How long can we keep our table for?

When booked with catering we offer 11.30am – 4.30pm for Lunch and Dinner 5pm for the evening. When booking without catering our booking times are 2 hours and 15 mins or until the next reservation time.

Can we bring a cake?

Yes cakes are welcome without a cakeage fee. We can store in the cool room and provide plates and cutlery.

FREQUENTLY ASKED QUESTIONS

Can we bring table decoration and balloons?

Yes, decorations for your table and balloons are all welcome. We ask that no confetti balloons are brought in unless specifically okay'd by management.

Can we book the kids area exclusive to us?

We offer kids parties that can be found in our function pack. For this, a portion of our kids area can be sectioned off to host this event. We do not ever exclusively book out our kids area for private parties.

Can I bring my own kids entertainment?

You can request to bring your own entertainment from management. Any third party entertainment is not monitored by our staff and cannot be given any exclusive areas of the venue. You must assume that other children may want to participate, which we are unable to monitor.

Can we play our own music?

Only with functions in the private TAB area. All other areas are public spaces and thus only our venue music is provided.

How do we setup a bar tab?

You can set up your bar tab on the day with a manager. We require a current Driver's License and a Credit Card to hold until the tab is finalised. There is a standard option where we provide a tab card which you can pass around to the guests you would like to use the tab. We can also provide wristbands for you and your guests; we recommend this option for bookings over 20pax. We can provide an additional bar tab card along with the wristbands if you would like some guests to be given exclusive access to your tab (be able to order whatever they want) and you can just pass that around

I don't know my numbers and am not looking to cover any costs for guests. Can this be booked in with you?

Any booking under 40 people is welcome to be booked as a standard reservation and all guests can order a la carte from the bistro. We do not offer these style bookings exclusive use of any areas. If you are looking to host a large event within the next 7 days please contact us for available last minute options.
